BRYAN CORDIALLY GREET TAGGART

He will arrive in Indianapolis tomorrow morning and will leave about five o'clock for a special train for Chicago. The special train will leave at 10:30 p.m. for Chicago.

Mr. Bryan discussed the government ownership question and the prosperity of the country.

At Terre Haute, Mr. Bryan addressed a large crowd, saying: "I am here in Indiana, not as a candidate for office, for I have insisted that it is too early to know who ought to be nominated by either party. But I am here in the interest of those who are candidates. This year we hope to lay the foundation for success two years hence."

Mr. Bryan discussed the government ownership question and the prosperity of the country.

The Farmer's Wife

Is very careful about her churn. She scalds it thoroughly after using and gives it a sun bath to sweeten it. She knows that if her churn is sour it will ruin the butter that is made in it. The stomach is a churn. In the stomach and digestive organs nutritive forces are performed processes which are almost exactly like the churning of butter. It is not apparent then that if this stomach-churned food makes food which is put into it? The evil of a foul stomach is not alone the bad taste in the mouth and the foul breath caused by it, but the corruption of the pure current of blood and the dissemination of disease throughout the body. Dr. Pierce's Golden Medical Discovery makes the sour and foul stomach sweet. It does for the stomach what the washing and sun bath do for the churn—absolutely removes every taint or corrupting element. In this way it cures blotches, pimples, eruptions, profuse sweats, sores, or even eating ulcers and all humors or diseases arising from bad blood. If you have bitter, nasty, foul taste in your mouth, coated tongue, foul breath, are weak and easily tired, feel depressed and discontent, have frequent headaches, nervousness, eruptions, pimples, indigestion, constipation or irregular bowels and poor appetite, these symptoms, or any considerable number of them, indicate that you are suffering from indigestion, torpid or lazy liver with the usual accompanying indigestion, or dyspepsia and their attendant derangements.

The following is a true and correct statement of the results of the use of Dr. Pierce's Golden Medical Discovery.
